

YWCA ROOFTOP

-GRETA VICK

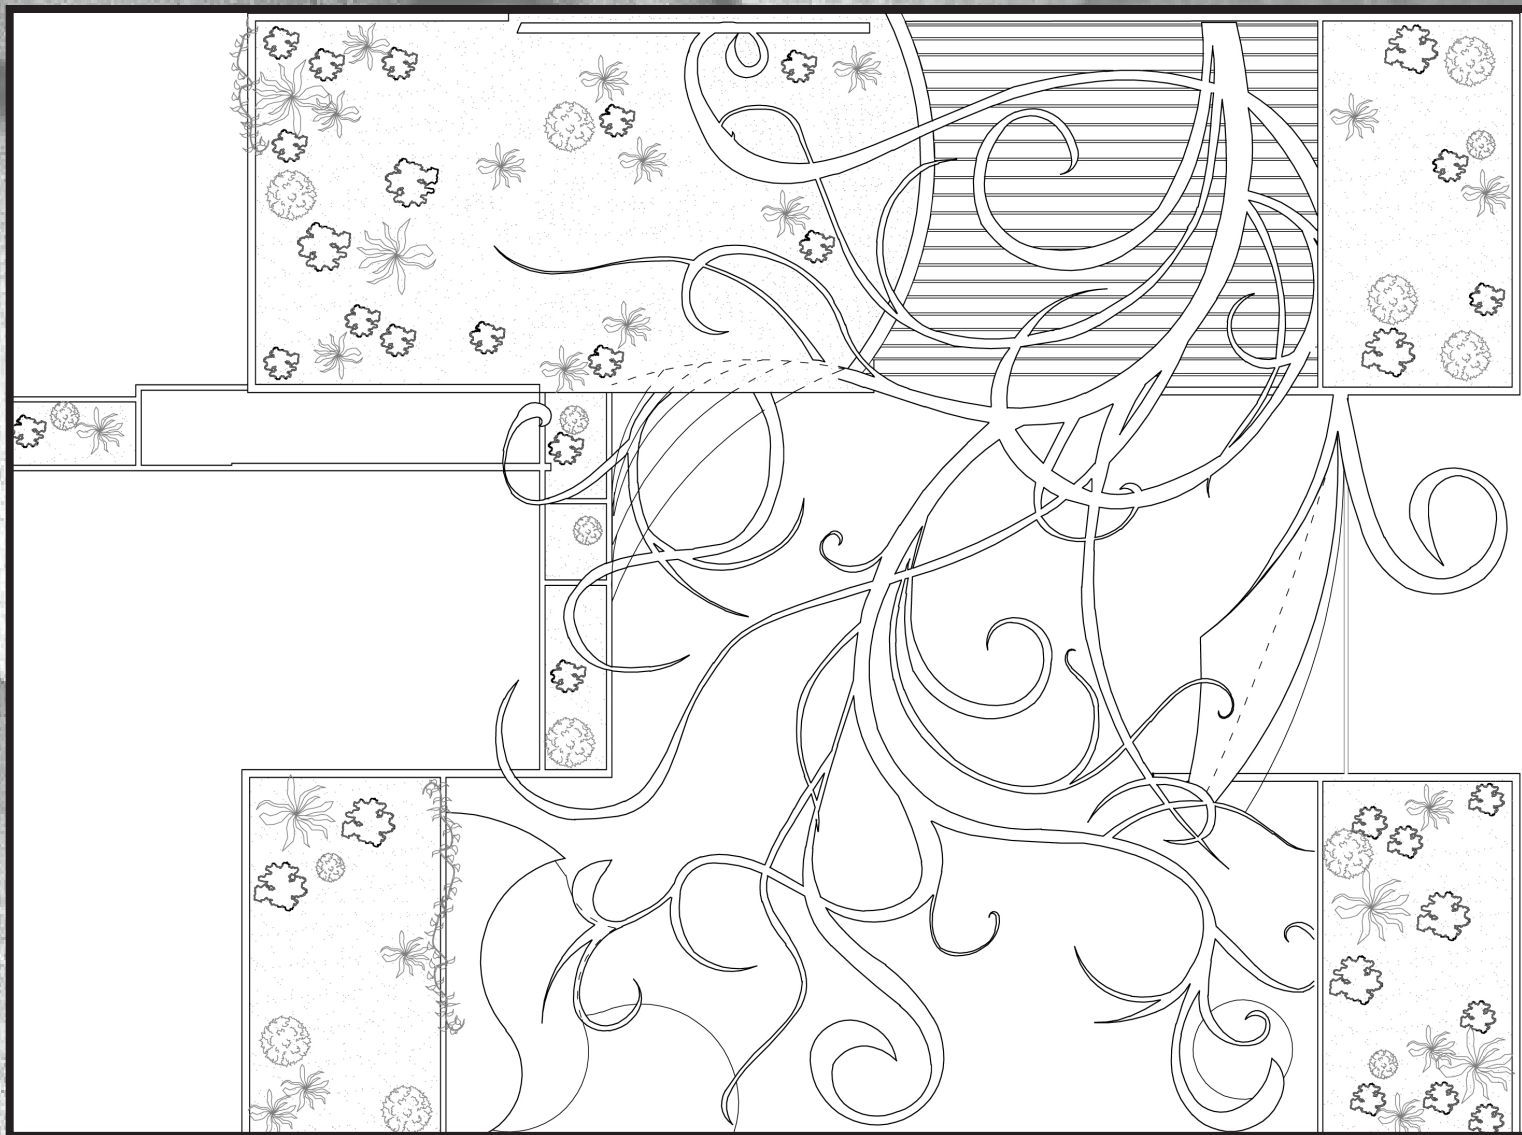

INSPIRATION

CONCEPT

DEFINITE. STRUCTURAL. ECOLOGICAL.
ADAPTABLE. THIS SPACE WILL TRANSFORM THE
PRESENT THROUGH THE ALTERATION OF THE
FLOOR, WALLS, AND FIXTURES: SHOWING
DIVERSITY IN FORM AND SHAPE. THE FOOTPRINT
WILL BE MINIMAL, TAKING ADVANTAGE OF
VEGETATIVE ROOFING SYSTEMS AND RECYCLED
PRODUCTS, GIVING TEXTURE TO THE LOCATION.
THE FRAME WILL PROVIDE RHYTHM, ALLOWING
ONE TO PROGRESS THROUGH THE SPACE WITH
EASE. EYES WILL BE DRAWN TO FOCUS ON THE
ANATOMY OF THE EXCHANGE BETWEEN THE
NATURAL AND BUILT WORLDS.
